

`flw::flf::IEffect`

```
graph BT; A["flw::flf::Fog"] --> B["flw::flf::IEffect"]
```

A diagram showing a vertical arrow pointing upwards from a box containing the text `flw::flf::Fog` to a box containing the text `flw::flf::IEffect`, indicating that `flw::flf::Fog` inherits from or implements `flw::flf::IEffect`.

`flw::flf::Fog`
